

Ambitiøse 2030-klimamål

Vi har en ambition om, at vores emballager er 100% cirkulære i 2030;

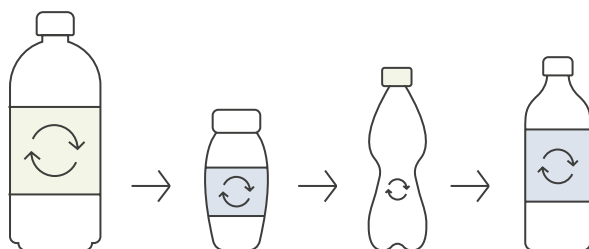

Plastflasker fremstilles af 100% genanvendt plast.

Returprocent på 99.

93% bliver til nye drikkevareemballager.

Pantsystemet (Dansk Retursystem) drives CO2- neutralt.
